Our Rich legacy

Next Sunday we begin a six week preaching series exploring the rich legacy of John & Charles Wesley who founded Methodism. Each week we will identify a key belief that motivated them and which still energises the world wide fellowship of 70 million.

The first Sunday Tony will consider our legacy of ***Christ's Love For all*** and our custom of an open communion table. To explore more about our history and beliefs go to www.methodist.org.uk/about-us
