A message from Graeme and Elaine Halls:

*Elaine and I would like to thank you for the kind and generous gifts given to us on our leaving. This same kindness and generosity of spirit has been shown to us during our 10 years in Jersey, both from the Circuit and from Georgetown. This time last week we were surrounded by removal men and boxes here in Wales. Now we have a sense of order: Elaine is doing the DIY and I am sorting my books! Your gifts have purchased for us book shelving, a lawn mower and garden shredder, and a polytunnel which will come in due course. Very good wishes and thanks to you. Graeme and Elaine*

Let love be real, in giving and receiving, without the need to  
manage and to own;

a haven free from posing and pretending,  
where every weakness may be safely known.

Give me your hand, along the desert pathway,  
give me your love wherever we may go:

as God loves us, so let us love each other,  
with no demands, just open hands and space to grow.

Let love be real, with no manipulation,  
no secret wish to harness or control;

let us accept each other's incompleteness,  
and share the joy of learning to be whole.

Give me your hope through dreams and disappointments,  
give me your trust when all my failings show:

as God loves us, so let us love each other,  
with no demands, just open hands and space to grow.
