Hi Everyone, Cathy and the boys join me in wishing you all a very Happy Easter. We hope that the streamed Easter Day service will connect us together as we declare the Good News that, 'Christ is Alive'.

Resurrection gives birth to hope. For each one of us living through these disturbing times, that hope offers security- come what may. It is about knowing that our times are in His hands.

May we all find in our prayers, reading of the Bible and singing of hymns, new dimensions to the Easter story and a richness of faith.

Every blessing and don't forget to telephone one another and wish each other Happy Easter.

### Mystery photo

There were so many correct answers to last week's photo that I have made it a little harder this week

Where or what is this in the Centre?

Do have a go!

### Some of this week's jokes

Tony was out to lunch with the Dean when the Dean complained about a mouse infestation at the town church. Tony replied " We had the same problem at SHMC ". "How did you get rid of them?" asked the Dean. "That was easy " was the reply "We baptized them, brought them into membership and now we only see them at Christmas and Easter."

How do you stop rabbits digging up your garden? Take away their spades.

I stepped on my scales this morning and they said, "Please use social distancing, one person at a time."

What do you call a man who takes you on a mushroom hunt? A fungi

Please keep sending them in - plus anything else it would be cheery or helpful to share.
