There is no better way to live life than to follow Jesus!

A Word About Face Coverings

You will be aware that the Jersey Government guidelines now strongly recommend that face coverings are to be worn in public indoor gatherings. Although places of worship are not specifically named we do now recommend that adults seriously consider complying with this guideline when attending Sunday worship.

However, we realise that for some this may not be possible because the wearing causes discomfort or distress, or is not possible because of medical reasons.

Above all it is wonderful to be together again to offer worship and praise! Every blessing, the Stewards & Tony.
