

# St Helier Methodist Centre

## November 7th 2021

***All Ages, All Nations, All Stages of Faith***

Our 10.30am this week is led by Tony and during this Season of All Saints we include within our service the opportunity to light a candle to give thanks to God for those who we love but see no longer. A number of our church members died during these Covid months and we welcome their families today.

Whether this is your first time here, or you are a regular, our hope is that we will all grow in loving God with heart, soul, mind and strength. There is no better way of living life!

We ask that everyone continues to follow closely the guidelines of hand sanitising on arrival and refrain from all physical contact. Anyone feeling unwell or with a raised temperature should not attend. We are required to keep a record of all who attend for 'track & trace' and keep to 1m distance.
